

On Tuesday, May 18th, the NH Division of Weights & Measures will be holding a scale certification clinic for those who use a scale commercially at Farmers Markets or Farm Stands. The clinic will be held from 4:00-6:00 p.m. at the Wentworth Greenhouses, located at 141 Rollins Road in Rollinsford, NH, just over the Dover line. The certification test is free to those who have three or fewer scales under 100 lb. capacity and no other commercial devices. Staff will be available to answer questions that you might have with regard to method of sale, how to take a tare, and other related questions. If you are interested in attending this certification clinic, please call our office at 603-271-2894 and leave a message with your name and the number of scales that you will be bringing. It is not necessary to call but it is helpful so that we will have enough inspectors on site to accommodate those who will be attending.

Date: May 18, 2010

Time: 4:00-6:00 p.m.

Where: 141 Rollins Road, Rollinsford, NH 03869
