# 4-H Agriculture Career Trip!

Are you thinking  
about a Career  
in Agriculture?

Join Us  
Have Fun  
Learn How!

**AUGUST 10-13**

**Destination ... Western New York**

*Explore Career Directions in the  
Produce, Dairy, and Livestock Industries.*

**\$150 person includes food, transportation, lodging.**

**Open to youth in New Hampshire,  
Maine, and Vermont, ages 13 up.**

*Major funding for this trip has been provided by Farm Credit East,  
Stonyfield Yogurt, and the New Hampshire State 4-H Foundation.*

- Visit large and small scale producers.
- Learn what it takes to make a living in agriculture.
- Meet accomplished farmers and business people.
- Find out what it means for an agricultural producer to go "vertical."
- Explore the opportunities and challenges of organic farming.
- Learn about college degrees focused on agricultural work.
- Meet New York youth who are producing their own maple syrup and growing bio-fuel.
- Discover current approaches to agricultural marketing and direct distribution strategies.

**FOR MORE INFORMATION, contact:**

Mike Young, 4-H Extension Educator  
at (603) 679-5616 or visit  
UNH Cooperative Extension's  
4-H Agriculture Trip web page at:  
<http://bit.ly/4HAgTrip>

**Register (deadline July 2) on-line at  
[https://www.events.unh.edu/  
RegistrationForm.pm?event\\_id=7311](https://www.events.unh.edu/RegistrationForm.pm?event_id=7311)**

If internet access is unavailable, call  
(603) 679-5616 for a registration form.

**PARENTS AND LEADERS WELCOME!**

The trip needs responsible and fun adults  
to volunteer as chaperones.

**Visit Empire Farms Days! See the latest technology and techniques for farm management!**
